Dear Colleagues:

It is my great honor to invite you to attend the 16th Congress of Asian Pacific Association for Laser Medicine and Surgery (16th APALMS 2018) which will be held in Bangkok, Thailand from October 19-21, 2018.

The scientific committee has already worked out to complete the schedule which include all variety of academic activities of all Laser Medicine and Surgery. Many worldwide renowned experts from all continents including Asia have been invited to contribute their knowledge and experience in this congress.

The participants will have an opportunity to discuss and share their experience in their presentation. We wish that this congress will bring together all variety of experts in Laser Medicine and Surgery field including plastic surgeons, Dermatologists, Dentists, Obstetrician from all countries in Asia.

Bangkok, the City of Angels, has been voted many times to be one of the world most attractive, interesting city for all visitors. Bangkok has a remarkable wealth of historical and cultural attractions which cannot be easily found in other parts of the World. Bangkok after dark is experiencing you surely won’t forget and hesitate to get out and see it for yourselves. Our warm and charming Thai culture and hospitality will certainly capture your heart and make your stay the most pleasant and memorable event.

I do really hope to welcome you, your family, and your colleagues to attend this prestigious congress in Bangkok in October, 2018.

Sincerely,
Clinical Professor Apirak Chuangsawanich
Congress President of 16th APALMS 2018
